The elevator conveniently takes you to the second floor, where you'll find your temporary home.

On 25 m^2 on the 2nd floor, you'll find a clever spatial concept with everything needed for comfortable temporary living. The large 160 cm Bonaldo design bed dominates the sleeping area and provides restful sleep after long working days, while the surrounding space maximizes functionality through intelligent room division. The designer kitchen presents itself fully equipped with modern built-in appliances, a Nespresso coffee machine for perfect coffee enjoyment, a practical microwave, and an efficient dishwasher. The cooking hob, refrigerator with freezer compartment, plus toaster and kettle complete the kitchen equipment and offer all possibilities for meal preparation. The living area with high-quality Bonaldo seating and Smart TV creates a relaxed atmosphere for your leisure time and invites you to linger. Real wood flooring adds warmth and elegance to the entire apartment, while natural light flow through the windows creates a bright and welcoming atmosphere. Ample storage space accommodates your personal belongings and maintains order, and the bathroom with shower and hairdryer provides modern comfort. Weekly cleaning service and concierge support provide additional comfort, as does the room safe for your valuables and the washing machines available in the building.

Charlottenburg, as a traditional district, offers a perfect blend of culture, shopping, and dining. Kurfürstendamm, Kaiser Wilhelm Memorial Church, and numerous parks are within walking distance and invite leisurely strolls.
