Registration is possible.

You enter the apartment into a spacious, open-plan living area with modern fitted kitchen and direct access to the garden. The fully equipped kitchen features a large refrigerator with freezer compartment, oven, dishwasher, microwave, mixer and Nespresso coffee machine plus all necessary crockery, pots, pans and cutlery. The dining table seats four people and stands centrally in the living area, while the comfortable sofa and smart TV provide relaxing evenings. Premium real wood floors flow throughout the entire living area, creating a warm, inviting atmosphere with natural character. The rooms benefit from the quiet rear building position with views over the green garden, creating a particularly relaxed residential atmosphere while natural light illuminates the spaces throughout the day. Two spacious bedrooms with comfortable box-spring beds ensure restful sleep and feature ample storage space for personal belongings plus wardrobes for organized storage. The large bathroom is equipped with both a bathtub and separate shower, with a hairdryer provided for convenience, and the fittings are complemented by practical storage surfaces. A separate guest toilet offers additional comfort for visitors and extends the apartment's functionality. High-speed WiFi with 100 Mbps, a washing machine, iron with ironing board plus bed linen and towels complete the comprehensive amenities. The private garden with 30 m² terrace and garden furniture extends the living space outdoors, providing a sheltered green retreat with direct access from the living area, while the garden house offers additional storage space for garden equipment.

Moabit is developing into one of Berlin's most sought-after districts. The central location between Hauptbahnhof and the government quarter offers excellent transport connections in all directions across the city. The nearby Stephankiez with its stucco-decorated period buildings and well-maintained streets creates a special residential atmosphere. This furnished apartment is ideal for professionals and expats seeking temporary living in a prime Berlin location.
