Good to know

- Detmolder Straße in the established Wilmersdorf neighborhood has become very popular. Thanks to its low-density development and spacious front yards, you feel far away from downtown yet still live in a very central location—it's just two stops to the Bahnhof Zoo S-Bahn and U-Bahn station, which offers excellent connections in all directions.
- The location also benefits from excellent infrastructure: shopping options—whether organic markets or supermarkets—are within walking distance. The good selection of bars, cafés, and restaurants in the immediate vicinity is also inviting.
- Near the Bundesplatz S- and U-Bahn station (U9), city highway
