LOCATION

OVERVIEW

The well-maintained apartment on the raised ground floor of a listed Berlin residential building offers generous living space of 107 m² with a total of 4 rooms, including 3 bedrooms and one bathroom. The five-storey building combines historic charm with contemporary living comfort and was last modernised in 2020.

The apartment impresses with its characterful parquet flooring, which creates a warm and inviting atmosphere in the living and sleeping areas. A small fitted kitchen is already in place, making moving in especially straightforward.

A cellar compartment is available for additional storage space. Heating is conveniently and resource-efficiently provided via district heating.

As part of a listed ensemble, this apartment offers not only a special living experience with architectural history, but also a solid opportunity for anyone who appreciates typical Berlin old-building flair in well-maintained condition.
